

BUILDING YOUR TRUST

The Eagle offers extreme quality advanced LED technology, with no upfront cost, expert professional installation, cash back to any business and worry free long term customer support. Our goal is to make you a **super hero** to your clients. They are counting on you, so you can rest assured you'll **always** be able to count on us.

EAG-LED Global Lights is constantly evaluating and integrating emerging technology, and we manufacture and guarantee the finest 50,000 hour fixtures with the benefits you love, like flicker free technology with No yellow, No heat, No tungsten, No mercury gas, No Retrofits, No Recalls and No Problems. We provide a free consult along with personalized service and all the insight and expertise that comes from more than 100 years of combined LED experience. We want to help their bottom line.

As the manufacturer, we guarantee the very best LED options, 100% satisfaction, and besides energy rebates and major utility savings, potential 100% ROI in as little as 6 -12 months, and amazing Lifetime Savings up to 10 or 15 times your client's original investment.

Not all LEDs are created equal!

Free Energy Audit and Quote
