

Why EAG-LED?

Customers are lining up to do business
and the reason is simple . . .

Our customers seriously reduce their
overhead while increasing their bottom
line. They save energy and money,
while helping the environment

Ask yourself. . .

Do you still have outdated and
dangerous fluorescent lights?
Are you overpaying for utilities?
Do you need to reduce your carbon
footprint? Do you have lights that
flicker or dim? Do employees
complain of headaches and
migraines? Is your business
bright, cheerful and safe?
Would you like to save
thousands of dollars a
month on utility bills?
We can help!

Why EAG-LED?

- We are the Manufacturer!
- We make more than 850 premium fixtures
- We offer no cost or obligation energy audits
- We have our own installation teams on staff
- We offer a five year LED warranty on all fixtures
- We can help any business or industry worldwide
- We manufacture serviceable flicker free drivers
- No OSHA fines because of incorrect light issues
- We offer a no upfront cost LED upgrade program
- We guarantee monthly cash back to your business
- Your business will be brighter, safer and more secure
- Our components are made from top line Bin 10 materials
- We provide a certified master electrician at each job site
- We have more than 50 years of combined LED experience
- We employ only the latest generation chips, drivers and diodes
- Fewer sick days, no eye strain headaches, increased productivity
- We also coordinate state and federal tax incentives, like EPact 179D
- Acrylic diffusers guaranteed not to change color or yellow for 10 years
- We work closely with utility companies, guaranteeing maximum rebates
- We have 37 engineers on staff, which guarantees emerging technology
- Many of the top companies in the country choose us as their LED solution
- We have more than 300 LED specialists in most major cities coast to coast
- We experience a less than 1% LED failure rate, as opposed to the 20% norm
- 50,000 hour rating on drivers equals 12 - 20 year fixture life based on usage
- And, Our customer support is second to none
