# WALL WASHER

EAG-LED LED wall washer lights work in independent mode and DMX mode, generating a wide spectrum of colors and effects such as flashing, fading etc. Our Wall Washer lights emit thousands of lumens at a time and provide a wide range of lighting solutions for large general areas and unique accent lighting in smaller areas. They effectively provide energy reduction and effective lighting for indoor and outdoor applications. They also allow proper heat management to ensure a long and durable life.

EAG-LED Wall Washer lights provide a long life span of a fifty thousand hours, and are dimmable from 0 to 10V with consistent color deliberations.

# WALL WASHER

## Advantages

- UL cUL DLC
- High CRI
- IP66 driver
- Input voltage 100-277 & Vac
- No UV or IR in the beam
- Energy Efficient, Long Lifespan
- Instant start, NO flickering, NO humming
- Green and eco-friendly without Mercury

## Applications

- Landscape lighting
- Accent wall lighting
- Exterior Surfaces
- Hotels
- Office Buildings
- Billboards
- Fountains
- Bridges
- Tunnels
